PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Art Unit: 2629

The reply filed on February 4, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): proposes amendments to claims 1-48 that do not comply with 37 CFR 1.173, which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

A proper response will include a complete set of claims, to include patented claims 1-15 and newly added claims (numbered starting with claim 16) being completely underlined as being added to the original patent. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The oath/declaration received on February 4, 2009 is acceptable.
